

## Winter Parking Regulations in Effect November 1<sup>st</sup> to April 15<sup>th</sup>

The City of Fernie would like to remind residents that the winter parking regulations will be in effect from November 1<sup>st</sup> to April 15<sup>th</sup> in order to facilitate snow removal. The following alternate parking schedule will be enforced during this time period:

<b>NO PARKING</b> permitted on the South or East Side of the Roadways	<b>NO PARKING</b> permitted on the North or West Side of the Roadways
Monday, Wednesday, Friday and Sunday	Tuesday, Thursday and Saturdays

These restrictions allow City plows to clear the snow back to the boulevards on alternating days. Any vehicle parked contrary to the regulation or posted signage is subject to towing and vehicle impoundment. Council adopted an amendment to the Streets and Traffic Bylaw at the regular meeting on Monday, November 24, 2014 which increased the impound fees from \$7.00 per day to \$10.00 per day or actual costs (if stored at a commercial impound lot) and added a 10% administrative fee to be applied to all towing and impound charges.

Please adhere to parking regulations to avoid having your vehicle towed.
