TEMPORARY BYPASS TO ELK RIVER

The City of Fernie wishes to advise area residents that in order to dispose of excessive amounts of storm water in the sanitary sewer collection system due to recent heavy rains it is necessary to temporarily bypass treated effluent to the Elk River.

The bypass will take place from September 16, 2014 through to September 29, 2014 in accordance with the Ministry of Environment operating permit.

For further information please contact City Hall at 250-423-6817.

Thank you.
