B.C. Building Code Amendment Seminar

ATTENTION ALL BUILDING CONTRACTORS & TRADES
PERSONNEL IN THE ELK VALLEY

If you are involved in the residential, small commercial or light industrial construction industry you are invited to attend a B.C. Building Code Amendment Seminar to review the new **Building Code changes** that were implemented and came into effect as of December 19, 2014. The key changes relate to provincial energy efficiency requirements for building envelope construction, heating, ventilation, HVAC, HRV and service water heating systems. Rough-in and mitigation installations for radon soil gas control within Part 9 will also be addressed.

This seminar is a joint presentation of the Building Department of the Regional District of East Kootenay and Office of the Building Official of the City of Fernie. The presentation will be followed by a question and answer period for discussion purposes. If additional information is required, please contact the RDEK 250.489.2791 or the City of Fernie 250.423.2229.

**WHERE: Senior Citizens Drop-in Centre
562 3rd Avenue, Fernie, B.C.**

WHEN: Wednesday, March 4, 2015

TIME: 6:30 pm – 8:30 pm

Whether you are involved in framing, heating, cooling, plumbing, electrical, mechanical, insulation or other related trade activities, we hope to see you there!
