## At the Arena

The coolest place to hang out when schools not in. Enjoy the fun down at the arena starting at 10:00 am with Youth Shinny. It's hockey with all the fun for ages 6-11 and 12-17.

Helmets, throat protector and gloves are mandatory.

Public Skates are ice time fun on No School Fridays. Play games and learn the first steps of how to skate. Helmets are suggested. We will have an activity coordinator on the ice for these skates so come out and skate to music and join in the fun.

Please note a time change for Nov 2nd, 23rd and Dec 21st due to other rentals!!
